## Endowment Funds

An endowment fund is a special fund created to support an organization, in this case the FPSEF. The money in the fund is safely invested, providing the FPSEF with a steady and predictable cash flow. This allows for better long-range planning and provides the foundation with the financial security to sustain them for eternity. Only the investment earnings from the endowment fund will be used. The fund's principal asset base (the total of all contributions) remains intact and grows through sound investment and additional gifts.

The Foundation funds have two categories: **Donor Undesignated Endowment Gifts and Donor Designated Project Gifts.**

**Donor Designated Project Gifts:** These funds may be given for special educational group projects or for individual educational awards or projects and are subject to review as to their intent, purpose, or appropriateness with regard to the purposes for which the Foundation was legally constituted and are subject to approval of the Board of Directors of the Foundation before acceptance and distribution.

**Donor Undesignated Endowment Gifts:** Interest from these funds may be distributed as yearly grants to qualifying teachers for special projects to enhance student learning opportunities and to purchase educational materials and equipment which cannot be funded from general revenue.

**Contributions to an endowment fund are Gifts that keep on giving.**
