How to Access Your Assignments

Instructions: On or before April 6, 2020, students log on to the appropriate site listed below to receive their assignments or instructions from their teachers. Below is a list of teachers and the method they will use to deliver assignments to you. If you are not sure what to do, contact your teacher using the email addresses below. **Tip: [Google Classroom](#) can email parents/guardians email summaries. If you want to receive these summaries, let your child's teacher know via email. The teacher will need the email address that you want to receive the summaries. You need to email each teacher individually if you wish to receive a summary for their class.**
